

Campbell County Trails Passport Project

Did you know that there are approximately 40 miles of walking and hiking trails in Campbell County? Cities in the county have come together with the Cooperative Extension Service to develop the Campbell County Trail Passport Project that is a collaborative effort among the parks and recreation departments in Campbell County to encourage walking, hiking, and exploration in our community.

The following communities are partners and maps for the trails listed below can be found at <https://campbell.ca.uky.edu/content/campbell-county-trails-passport-project>

Newport: [Buena Vista Park](#), [Riddleview Park](#), [Veteran's Park Newport](#)

Bellevue: [Bellevue Beach Park](#)

Southgate: [Southgate Community Park](#)

Wilder: [Frederick's Landing](#)

Highland Heights: [Lakeside Common Area](#), [Nature Trail](#)

Cold Spring: [Friendship Park](#), [Municipal Park Cold Spring](#)

Fort Thomas: [Highland Hills Park](#), [Tower Park](#), [Rossford Park](#)

Alexandria: [Alexandria Community Park](#), [Campbell County Environmental Education Center](#), [AJ Jolly Park](#)

Melbourne: [St. Anne's Woods and Wetlands](#), [Pendery Sports Park](#)

We encourage you to add a photo of your experience at the trails by sending an email to: campbell.ext@uky.edu. Feel free to provide comments about your experience as well.

If you have questions about the Campbell County Trails Passport Project contact DJ Scully, Campbell County Natural Resources and Environmental Management Agent, at (859) 572-2600 or by email at djscully@uky.edu.

Happy Hiking!
