VI. Producer Guidelines & Responsibilities

Funded participants shall adhere to all local, state, and federal rules and regulations.

Any application that does not meet eligibility requirements will not be scored.

The County Administrative Entity and/or the County Program Administrator reserves the right to request or require additional documentation to verify information provided in producer's application.

Confirmation of fraudulent responses shall result in disqualification for participation in this year's CAIP.

Applicants are only eligible to receive funds in <u>one</u> of the following programs per program year: CAIP, Next Generation Beginning Farmer, Youth Agricultural Incentives Program

A. Eligibility Requirements

Only one application per household will be considered for funding. A household for the purpose of this program is defined as follows:

1. HOUSEHOLD

- a. Only <u>one</u> individual per household, regardless of county, is eligible to <u>apply for CAIP</u> funds within a program year. Proof of residency is required to verify that multiple individuals within the same household are not applying.
- b. Additionally, all applicants must be a resident of Kentucky.
- c. Residency is determined by a valid Kentucky driver's license or photo ID and one utility bill. The address on both the ID and utility bill <u>must match</u> the address provided on the CAIP application. A copy of both shall be submitted and placed in the file with the application.

2. TENANT/OWNER

If applying as a tenant/landowner, then the following also apply:

- a. Tenant farmers are required to obtain written permission from the landowner to use the landowner's FSN on a CAIP application. Written permission must be submitted with the application to be eligible. The tenant farmer must submit either an FSA-578 form <u>or</u> a redacted copy of the tenant's schedule F <u>and</u> written approval from the landowner, giving permission to use the owner's FSN and granting access to the cost-share item(s) for a minimum of five (5) years.
- b. **Additionally**, the tenant farmer must submit the "Tenant/Owner Acknowledgement Form" prior to approval.
- c. **Limitations** for Tenant/Owners that both apply for CAIP:
 - i. A tenant farmer and a landowner are both eligible to apply with separate FSNs; however, both may not receive funds within the same Incentive Area.
 - ii. In the event a tenant secures written permission from the landowner and both apply for CAIP, the tenant farmer and landowner are prohibited from applying for funds within the same Incentive Area in the same program year.

3. PRODUCER DEFINITION

a. A producer is defined by use of Social Security Number (SSN) and Farm Serial Number (FSN). Both shall be provided when applying. Once the Social Security Number (SSN) or Farm Serial Number (FSN) is used, neither are eligible to be used again once the annual limit is reached.

[Example: SSN - 123-45-6789 combined with FSN - 4567, would discontinue the eligibility of both the SSN and FSN.]

b. Producers who intend to take part in the program shall supply a Social Security Number (SSN) and Farm Serial Number (FSN) to receive payment. Both of these numbers must be supplied to the Kentucky Agricultural Development Board.

The Kentucky Agricultural Development Board recognizes every applicant's right to privacy and understands its obligation to keep applicant/producer information confidential. Any information provided to the Kentucky Agricultural Development Board or Program Administrator on individual producer applications for CAIP, such as the applicant's Social Security Number and Farm Serial Number, will be kept confidential by authority of the Kentucky Agricultural Development Board as granted in KRS 248.701 to 248.727 and by KRS 61.878. The Kentucky Agricultural Development Board does not disclose any nonpublic personal information regarding applicants/producers, past or present, except as permitted or required by the Kentucky Open Records Act, KRS 61.870 to 61.884 or other law(s).

- c. Producers must be 18 years of age or older at the time of application to apply for CAIP funds.
- d. Counties may choose to limit eligible producers to receive funding every other year. If a county has adopted this policy, it will be printed in bold on the front page of the county's Universal Producer Application.
- 4. Applicants shall have completed a Kentucky Agriculture Water Quality Act (AWQA) Plan with either the complete plan or a self-certification form the farm for which CAIP funding is requested and provide verification or documentation with application.
- 5. Applicants may submit a **voluntary** third-party information request form for the Farm Service Agency (FSA) with their application to allow the program administrator to request information directly from FSA, with the producer's permission.

6. EXCLUSIONS

The following individuals are ineligible to apply for CAIP funding:

- a. Members of the Scoring Committee (see II.A.2.) and their households.
- **b. Beginning in 2020**, the program administrator (*individual(s) managing the program*) **and** members of his/her household will be ineligible to apply for CAIP.
